Gentlemen:

The Mad River Valley Rotary Club would like to place the outhouse used in our "You Bet Your Ice" fund-raising event on the pond adjacent to the Big Picture Show on-or-about January 15, 2009.

As in years past, we would also like to place two signs on the grass opposite the outhouse.

This year we would also like permission to install a light so it is visible at night. All care will be taken to insure it doesn't present a hazard to traffic on Route 100.

We hope this is agreeable, and thank you for your attention.

Sincerely,

**Art Conway
Associate Chairman
