

**Waitsfield Planning Commission Report:
Readoption of 2005 Waitsfield Town Plan
May 2010**

This report is presented for public review in accordance with 24 V.S.A. §4387(b) which allows for the readoption of town plans about to expire.

The 2005 Waitsfield Town Plan expires on June 27th, 2010. The Waitsfield Planning Commission is in the process of reviewing and revising the plan and expects to hold public forums and propose an amended plan for adoption this summer. In its review of the existing plan, the Waitsfield Planning Commission has determined that the existing 2005 Waitsfield Town Plan continues to represent the community's vision for the future of the town.

The Waitsfield Planning Commission finds that it is in the best interest of the town to readopt the existing 2005 Waitsfield Town Plan until any revisions developed by the current review of the plan are adopted by the Town.
