

TOWN OF WAITSFIELD, VERMONT

Town of Waitsfield REQUEST FOR BIDS TOWN POND DAM REHABILITATION FEBRUARY 5, 2009

The Town of Waitsfield is seeking bids for the rehabilitation of the Town Pond dam. This construction project entails installing appropriate environmental controls and pond water management systems; excavating through the earthen embankment to remove the existing corrugated metal pipe spillway inlet shaft and outlet pipe; installing a new reinforced concrete inlet shaft, outlet pipe, and attached low-level drain and valve; reconstructing the compacted earthen embankment; and restoring the site. Bids for dredging the pond at the same time will also be sought. If approved by Waitsfield voters on March 3, the project is intended to be completed during the summer of 2009.

A complete set of bid documents prepared by Weston & Sampson Engineers, Inc., of Waterbury, Vermont, will be available at the Town Office and on-line at www.waitsfieldvt.us. There will be a mandatory pre-bid meeting at 8:00 a.m., Thursday, February 12, 2009 at the dam site (Route 100 and Carroll Road in Irasville). Bids must be submitted to the Waitsfield Town Office, 9 Bridge Street, Waitsfield, VT 05673 no later than Wednesday, February 25, 2009. For more information, contact Town Administrator Valerie Capels at (802) 496-2218 or townadmin@madriver.com.
