

TOWN OF WAITSFIELD

POST-BOND VOTE PUBLIC FORUMS
Municipal Water Supply and Wastewater Disposal Systems
Tuesday, April 8, 2008, 7:45 A.M. and
Thursday, April 10, 2008, 7:00 P.M.

The Waitsfield Selectboard is in the process of forming an 8 to 10-member citizen task force to explore the basis of the negative water and wastewater bond votes, consider alternatives, and make recommendations to the Selectboard. Two forums have been scheduled to begin to seek input from members of the community about why the bond votes failed, particularly from those who opposed the projects:

Tuesday, April 8, 2008, 7:45 - 9:00 A.M. at the Three Mountain Café,
and
Thursday, April 10, 2008, 7:00 – 9:00 P.M. at the Valley Players Theater.

Waitsfield voters and other interested persons are encouraged to attend and share your thoughts and questions. If you are unable or would prefer not to attend either of these forums, we still want to hear from you. Please send a note to the Task Force at 9 Bridge Street, Waitsfield, or townadmin@madriver.com, or call 496-2218. More information is also available at www.waitsfieldvt.us.
